MENTOR – MENTEE (2021-2022)

The institution has a well-established Mentoring system apart from the counselling services of trained counsellors.

Every semester the allotted Staff (Mentor) meet the students (Mentees) on the scheduled day of the meeting in their respective departments. Any issues related to their academic, non-academic and personal problems are discussed. Mentors record such issues in a mentor register provided for the purpose.

The Mentoring system provides for quick and personalised resolution of students problems. All Faculty members of the College are involved in the Mentoring Programme.
