6. Number of participants/beneficiaries: 273
7. Description of the event:

The New Year gave a kick start to the most awaited Annual Association Fauna'21 which was held on January 11<sup>th</sup> 2022 through online mode. The Annual Fest was themed as "Microbiota" to raise awareness about how the small organisms impact life and life processes. Several competitions in the categories of Intercollegiate, Interdepartmental and Intradepartmental were organized between 4 and 5 January 2022 as part of Fauna'21. There was a massive inflow of entries from various colleges and Departments of the College and students took active participation in all the competitions like paper presentation, doodling, creative writing, poetry writing, block and tackle, review article writing and poster making. This year, the most renowned competition Tmt. Ponnu Chakravarthy Quiz was won by JBAS College for Women.

The Annual Association Day Program was held on 11 January, 2022 with several eminent personalities. The program was streamed live on YouTube. It began with the inaugural address which was given by Dr. V. Appa Rao, Dean, Faculty of Food Sciences, College of Food and Dairy Technology, TANUVAS, Chennai. He gave a clear explanation on how microbes play a major role in the life of animals and their economic importance in all walks of life. This was followed by Dr. Tmt. Shanta Pattabhiraman Endowment Lecture, given by Dr. Sarala Premkumar, Associate Professor, Sri Ramachandra Medical College and Research Institute, Chennai. She focused on women's health at all stages of life and how

communicable and non-communicable diseases affect them. She connected this wide topic to the microbes that are responsible for the diseases and how to cure such diseases. The valedictory address was given by Dr. V. Kadiravan, Aquaculture Consultant, Gujarat. He gave a comparison of the good and bad microorganisms by special focus on bacteria, virus and fungi. Apart from the usual theme, he also discussed about how science can lead to setting up of start-ups. The students learnt many new things from all the guest lectures. The release of the Annual Magazine gathered a lot of enthusiasm among the audience as they all took part in submitting their own entries for the magazine. Special video for the Journey of Fauna-21 was displayed as a tribute to all the winners and participants of Fauna'21. The event ended with the vote of thanks by Dr. M. **Online “Two Day International Workshop on Nanomaterials for Clean Environment and Space Astronomy”**

**Date :** 22<sup>nd</sup> and 23<sup>rd</sup> February 2022

**Department :** Physics

**Chief Guest :** Ms. BhavanaLalchand , Prof. Jayant Murthy , Dr.Chrispin Karthick, Dr. Ramya Rajaram, Prof. Satheesh Krishnamoorthy, Prof. Raja Mohan, Dr. Samuel Paul David and Dr. Bibin John

**No of Participants :** 920

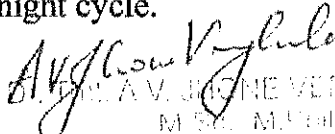

**Report of the Event :**

Online Two days international workshop on nanomaterials for clean environment and space astronomy was conducted on 22<sup>nd</sup>and 23<sup>rd</sup> February 2022 through online mode, via Google Meet and YouTube live streaming. The event had around 920 registered participants composed of students, professors and esteemed panel members from all around the world including countries such as South Korea, Taiwan, UK, Czech Republic, US and India. Members of the club for the year 2021-2022 have grown more than 500.

Ms. BhavanaLalchand was the second speaker on day 1. Her speech was on “Formation of young low-mass stars in star forming regions”. She commenced her speech with a brief introduction on National Central University, Taiwan and her research colleagues. She then introduced the topic to the participants.

Prof. Jayant Murthy was the third speaker on day 2. His lecture was on “Introduction to Space Astronomy”. He introduced the participants to the various aspects and amazements revolving around astronomy. He talked about Sputnik I, the world’s first artificial satellite launched by the Soviet Union. He also shared about the awestruck moment of the ‘First Moon Landing’.

Dr.ChrispinKarthick was the last speaker on day 2, who enlightened on the various career opportunities in the field of Astrophysics. Then he gave a brief introduction on the electromagnetic spectrum, earth’s equator, prime meridian, latitude and longitude. Dr.Chrispin Karthick also provided insight into the presence of various telescopes across our country and described the earth’s day and night cycle.

### ABOUT THE COLLEGE

Ethiraj College for Women was founded by the illustrious Barrister - at - Law, Thiru V.L. Ethiraj in 1948. The college is one of the select colleges in India recognized with the award of "College with Potential for Excellence". A premier institution dedicated to the cause of women's education, the College was ranked number one in the Internal Quality Audit conducted by IQAC of the University of Madras in 2005. The College was re-accredited with the highest grade 'A', by NAAC in 2013. The College is awarded the 46<sup>th</sup> rank at the All India level by the National Institutional Ranking Frame Work by the Ministry of Human Resources Development, 2019-2020. The College enjoys the pride of 30 UG courses, 22 PG courses, including AICTE approved MBA and MCA, 21 Research Programmes M.Phil and Ph.D and several Certificate Courses for around 9000 students.

### ABOUT THE DEPARTMENT

The Department of Physics has worked unceasingly towards its upgradation since its inception in 1948. With the introduction of post graduate degree course in 2004 and M.Phil course in 2009, research activities in various fields of Physics. The department has currently progressed to being a full-fledged research department by offering the Ph.D programme from 2017. The Astronomy Club affiliated to Vigyan Prasar, Network of Science Clubs VIPNET, is under the auspices of the department caters to the astronomical interests of the students.

### ABOUT THE WORKSHOP

The Department of Physics, is organizing an Two Day International Workshop on "Nanomaterials for Clean Energy & Space Astronomy," on 22-23 February 2022 in virtual mode. With increasing need for sustainable energy and cleaner environment, the demand for relevant nanomaterials has increased.

Nanomaterials play a vital role in increasing the efficiency of the energy storage and conversion processes. Several mechanisms by the integration of nanomaterials can improve the energy consumption in an enhanced form. The Workshop would provide a multifaceted and profound experience in modern astronomy.

### ABOUT THE INDIAN SCIENCE CONGRESS ASSOCIATION

The Indian Science Congress Association was formed to advance and promote the cause of Science in India. The association is a premier scientific organization of India with headquarters at Kolkata, West Bengal. The association started in the year 1914 in Kolkata and it meets annually in the first week of January. The Indian Science Congress Association celebrated its Hundredth year of its inception in 2<sup>nd</sup> June 2012 and the Centenary Session was held at Kolkata in 2013 under the Presidentship of Dr. Manmohan Singh, Honourable Prime Minister of India. ISCA started regional Chapters from 1986-87 in different places in India. The major objective of the ISCA is to inculcate the scientific temper among the people and to encourage young scientists to grow up steadily in the scientific direction.

**SEMINAR : DYNAMICS OF DATA SCIENCE**

**Date : MARCH 3, 2022**

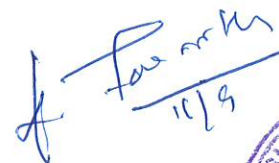

**Department : Computer science**

**Number of Participants: 155**

**Chief Guest : Mr. Rajkumar Kalaimani**

- On 3rd March 2022, a seminar was conducted on the topic of Data Science by Mr. Rajkumar Kalaimani.
- He is a mentor and a career guidance counselor.
- He discussed the importance of data. The importance of data science is based on the ability to take existing data that is not necessarily useful on its own and combine it with other data points to generate insights an organization can use to learn more about its customers and audience.
- He stated how much can be done with information and how much marketing power it holds. One of the advantages of data science is that organizations can find when and where their products sell best. This can help deliver the right products at the right time—and can help companies develop new products to meet their customers' needs.
- It was an informative session by Mr. Kalaimani which enabled the students to gain perspective on data science.
