Ms. T.S.R. Vijay Janani

The Minutes of the Meeting:

Meeting was held with the Principal i/c, Librarian, Dean of Research, Dean of Students Aided and SS, Dean of Academics –Aided and SS and the College Doctor.

The following were discussed and decisions taken:

1. The Principal i/c thanked the IQAC coordinator for arranging the FDP: Orientation for the newly recruited staff members who have joined the institution from June 2020 onwards.
2. It was discussed that the FDP would be organised in 3 Phases. The 1st phase is scheduled for 9th Dec. The main objective of the FDP is to introduce the work culture and various activities of the college to the newly recruited faculty members. Phase 2 of FDP will focus on Academic Enrichment while the Phase 3 will be on the interpersonal skills and work life balance.
3. Principal i/c suggested to include the Director of Women Studies for the presentation in the Orientation programme.

4. IQAC coordinator suggested that all programmes conducted in the college should be organised in association with the IQAC. So that it can be justified in the initiatives taken by the college in Criterion 6 of the NAAC.
5. The IQAC Coordinator requested the deans to maintain all data on the college domain drives of their respective mails to facilitate seamless transfer of data to the subsequent office bearers.
6. Principal i/c also requested the College Doctor to introduce and issue Health Cards to all the faculty members along with the practice of maintaining health records of the students.
7. The librarian suggested that the newly joined faculty should introduce themselves in the beginning of the programme.
8. The Principal i/c recommended that information of the newly joined faculty can be collected based on their area of interest, area of specialisation, and experience in various activities through a google form.

TEAM MEETING MINUTES

The Peer Team appreciates the Management, Principal, Vice Principals, Controller of Examinations, IQAC, Deans and Faculty for the presentation. The Team congratulates the IQAC team of the college for laying the groundwork for this review. The committee has assessed the performance and interacted with the faculty. The institution has done exceptionally well in all of its endeavours, yet there is always room for development in the curriculum design, research, and extension operations. Based on our observations, following are a few suggestions and recommendations for the enhancement of the activities of the institution.

The following suggestions were put forth by the Members of the External Peer Committee Meeting held on 28.04.2022, in the online mode:

OBSERVATIONS

- Internship is arranged for Students
- Feedback is collected from students and faculty members, Alumni , Employers, Administrative Staff and
- Mentor patentable projects of the students. 80% reduction in fees are offered for patent application by educational institutions.
- Mentor patentable projects of the students. 80% reduction in fees are offered for patent application by educational institutions.

SUGGESTIONS AND RECOMMENDATIONS

- The departments can start certified courses in online mode and such courses can be offered to students from other disciplines also.
- The college should highlight the NEP initiatives of the college and the road ahead.
- Students can be encouraged to undergo online internship programmes.
- AI integrated documentation procedure can be developed.
- A result-based evaluation of plans executed should be made by the college.

Ethiraj College for Women (Autonomous)
Chennai-600008

Internal Quality Assurance Cell

TEAM MEETING MINUTES

- The opportunities available to the students through the 'She Leads' initiative of the Coaching Foundation India can be leveraged.
- NPTEL courses can be offered to the students as Elective Courses.
- The college can apply for funding like DST-FIST and CSR.
- IQAC can initiate CAS for faculty members as an annual activity.
- The students can be encouraged to go for Internships for a period of minimum 1 month.
- Feedback can be collected from Research Scholars
- MSME funding can be sought by the college for IPR activities.
