BIOSTEP – SCALING DOWN PLASTIC USAGE

Date: 12th March 2022

Avenue of service: Community Service

Area of Focus: Environment

Number of Beneficiaries: 14

Venue : In and around Chennai

To contribute to the betterment of the environment, the project, **Biostep - Scaling down plastic usage** was executed. Plastic bags are non-biodegradable materials. They add profusely to the deterioration of our environment. In order to reduce it by some extent, we provided street vendors with biodegradable covers; so that they could replace plastic covers with these compostable covers. We gave out the covers and explained them the concept behind it. People are open to changes that bring about wellness to the environment. Through this project, we provided 600 bags to 14 beneficiaries (50 bags each).

No of participants: 75

Venue: Kaakum Karangal, Thiruvannamiyur

Joy of Giving – Action speaks louder than words, was a community service project where we had gone around all the classes in our college and canvassed about the idea of giving out the clothes which we aren't using to the under privileged. We received various clothes as in salwar, sarees, jeans, T-shirts etc from many rotaractors in our college. We had donated around 90 clothes to the under privileged in the orphanage. We had executed this project in order to give a hand in the under privileged people's life.

SOLEMATES - SOULFUL SUPPLY TO COBBLERS

Date: 11th March 2022

Avenue of service: Community Service

Area of Focus: Economic and Community Development

Number of participants: 20

Venue: Egmore

Solemates - Soulful supply to cobblers, is a project we did under the area of focus that is, community and economic development. This was one of the projects conducted for World Rotaract Week. This was an offline project where we gave kits filled with efficient and useful things that were donated to the shoe cobblers. We collected donations from our family, friends, classmates and fellow Rotaractors and used that to buy these kits. The contents in the kits were Shoe brush, Shoe polish, adhesive, stitching needle and tarpaulin sheet for them to help during summer. We then went on to give these kits to 20 shoe cobblers in and around Chennai.

SPOKEN & SEALED – TALES OF THE TAILS

Date: 14th September 2021

Avenue of Service: Community Service

No of participants: 20

Venue: Lotus Blind Welfare Centre, Mylapore

Spoken & Sealed – Tales of the tails project was conducted in order to help the visually impaired listen to stories with the help of our voice recordings. Numerous fun-filled games were conducted, and students were made to sing their hearts out. We had a discussion on each of their interests in cinema, food, sports, etc. And we conducted few other games such as paper cup building. Our board member sang a lovely song for the students. It was a wonderful experience altogether and a memory to cherish! We all thoroughly enjoyed the evening. We also donated to the students a speaker, pen drive, and created audio books for the students. Alone we can do so little; together we can do so much.

SURAKSHA – A LITTLE CARE MAKES ACCIDENT RARE

Date: 21st August 2021 & 22nd August 2021

Avenue of Service: Community Service

No of participants: 134

Venue: Mylapore Luz Signal; Shanthi Apartments, Mylapore

Suraksha – A little care makes accident rare is a community service project where we had raised awareness about Rule 106 Central Motor Vehicles Act, as per the law in a vehicle the headlight’s bullseye needs to be blocked with a sticker to avoid rear view and blinding effect for vehicles from the other side. It is a prevailing law which is not being followed or the awareness and importance about it is unknown in the community. The Rotaract volunteers involved themselves in creating awareness as well as placed black stickers on the headlights of vehicles passing through the Mylapore Luz Signal and Shanthi Apartments, Mylapore

WATTS UP – AMP THE SPIRIT

Date: 19th July 2021

Avenue of Service: Community Service

No of Beneficiaries: 25

Venue: Kaakkum Karangal - West Mambalam

Watts Up – Amp the spirit, was our first community service project. A philanthropic gesture by The Rotaract Club of Ethiraj to the super senior citizens in Kaakkum Karangal - West Mambalam, an old age home. In this community project, we successfully reached our goal of providing comfort by donating sufficient fans and lights and then personally handing it over to them.
