Academic year 2022-2023

1.4.1 STRUCTURED FEEDBACK ANALYSIS

A structured feedback system is followed by the College in order to get the opinions from Students, Teachers, Alumni, Parents and Employers on the prescribed curriculum of the College for both UG and PG programmes. The questionnaire is based on an exhaustive set of parameters pertaining to the syllabus.

Some of the parameters are:

- Application oriented curriculum
- Assessments
- Employability skills
- Entrepreneurial skills
- Technical skills
- Research prospects
- Industry & market oriented curriculum
- Gender, Environment & Sustainability
- Global, National & Local relevance

The students, alumni, parents and teaching fraternity responded to the questionnaire and recorded their views, opinions, and observations through Google Forms.

The students expressed the dire need for field visits, experiential learning, and academic flexibility to learn interdisciplinary course content. In addition to the students, even the alumni of the institute were happy and content with the curriculum offered by the College. The alumni observed that the course contents offered were relevant to their job profiles, and appointments, and suitable for future aspirations. The following are the programme wise feedback analysis given by the stakeholders.

ETHIRAJ COLLEGE FOR WOMEN (AUTONOMOUS), CHENNAI – 8 DEPARTMENT OF FRENCH – AIDED ACTION TAKEN REPORT ON FEEDBACK ANALYSIS - CURRICULUM 2021-24

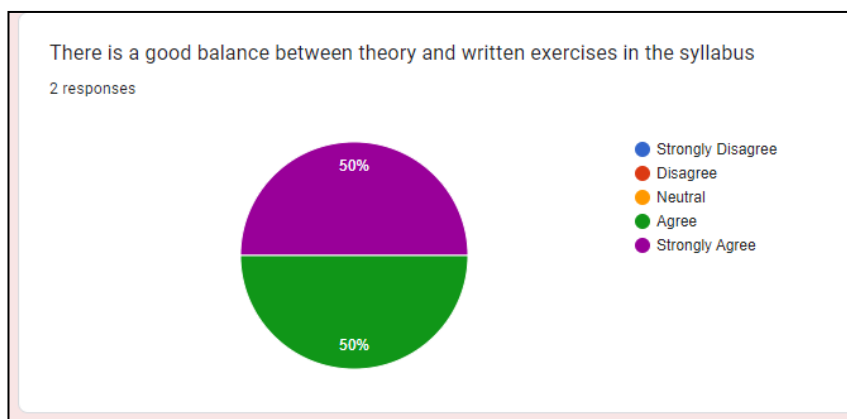

Faculty Feedback Analysis

The faculty agreed that the syllabus was:

- i. in depth
- ii. the course objectives and outcomes were well defined
- iii. the course content stimulated interest in the students and deepened their understanding of the subject
- iv. the time allocated for each unit was sufficient

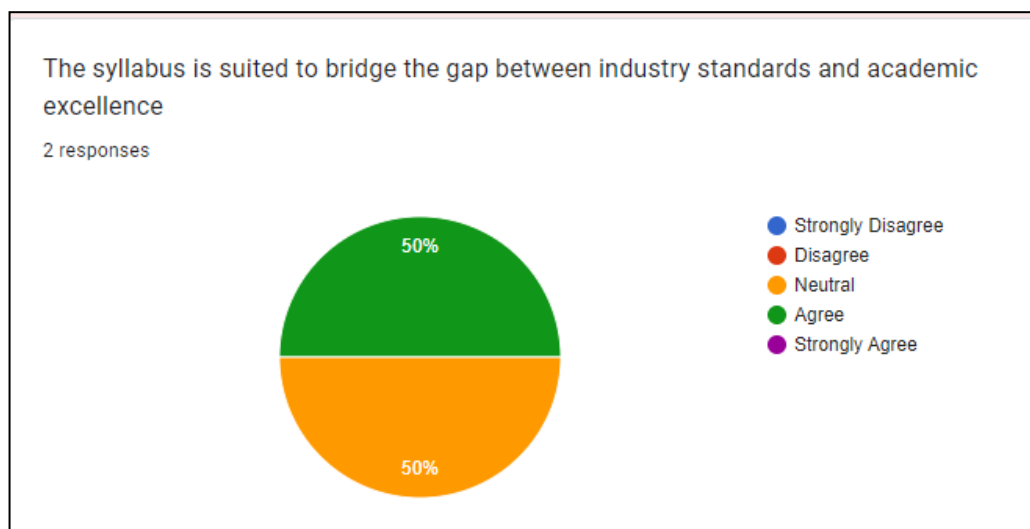

They also felt that the syllabus included topics that had local, national and global issues and that good inputs were provided through e-content. However, 50% of the faculty felt that although the syllabus was well suited to bridge the gap between industry and academic excellence, it was insufficient. Also, 50% of the faculty was of the opinion that there was not much balance between the written and the oral components. The graphs below illustrate this:

There is good balance between theory and written exercises in the syllabus	Number of Responses	Percentage
Strongly Disagree	Nil	0
Disagree	Nil	0
Neutral	Nil	0
Agree	1	50%
Strongly Agree	1	50%
Total	2	100%

Total	2	100%

Action Taken Report

Based on the feedback obtained from the faculty, the following actions were taken:

Sl.no	Recommendations/suggestions	Action taken
1	It was understood that more exercises have to be include to improve the oral component of the syllabus	It was decided to include more oral exercises and oral activities to improve oral communication skills in French during syllabus reframing in 2024
2	It was understood that the bridge between industry and academia be shortened	It was decided to invite more alumnae from the industry to come and speak to the students, motivating them to devote more time to oral activities
