## ETHI-SHAKTHI-WEBSITE LEAGUE

### Website - Activities

**Date of Event: 2017-18**

**No of Participants: 100**

The League has included many new features to the college website making it more attractive and informative such as including a calendar compartment and a new link under the library section to enable access of the EBSCO data base for research purposes.

Details of various events conducted in the college by the various departments are uploaded on a regular basis. In order to motivate the staff and students of the college the league initiated the concept of adding their achievements on a monthly basis under the title “Star of the month” on the college website.

### Library

The Library's primary mission is to serve the academic community with high-quality resources, services and act as a gateway to information to meet the needs of the institutions diverse instructional, research and outreach programmes.
