CELEBRATION WITH GRANDPARENTS

Date of the event: 29\11\2017

Number of Participants:50

Our event began with the interaction of our cadets with grandpas & grandmas. We were filled with emotions. "Nobody can do for little children what grandparents does". The NCC cadets of our college took the pride in helping the senior citizens in Monegar & Rajah of Venkatagiri Choultries an old age home on 29th November 2017. We performed cultural events which made them feel young and to cherish their nostalgic moments and also distributed snacks and dresses to them. The senior citizens also participated actively in the events.

QUIT PLASTIC AND SAVE NATURE

Date of the event: 03\03\2018

Number of Participants:200

NCC cadets of our College did an event in Karunagaracheri. The event titled 'Quit Plastic and Save Nature' objective was to minimize the use of plastic in the Karunagaracheri village. We collected plastics from each household and disposed it. We did a skit showcasing the harmful nature of plastic towards humanity and animals. We distributed cloth bags to all the villagers encouraging them to consider the alternative. We had a very good time and an unique experience which helped us to get an insight of what rural life is in reality.

HAND IN HARVEST

Date of the event: 03\03\2018

Number of Participants:80

“We must give more in order to get more” - Farming is one of the chief sources of employment for the villagers of Karunagaracheri. The NCC cadets of Ethiraj College for Women organized a programme in Karunagaracheri village, on 03-03-2018 at 12.00 pm. We had taken prior permission for us to actively take part in the daily activities of those villagers, under the guidance of our Associate NCC Officer Captain. R. Shanthini. We were present in the village to witness the harvest of brinjal. The farmers were pleased to explain the process of harvest and also taught us the techniques to harvest brinjal. They were patient enough, until we understood the process and also willingly cleared all our doubts. We Cadets got into action in the soggy wet soil and harvested around 25 KGs of Brinjal in the hot, scorching sun amidst the farm insects, upto 3pm.
