ROTARACT ORIENTATION

DATE: 23rd of July, 2017

No of participants: 1200

Elucidate means making things clear or explaining things in detail. This was the main objective of the Rotaract Orientation program for the 1st year students of Ethiraj College for Women

Our speakers for the day were

- Rtr Solomon
- Rtr Britto
- Rtr Girish

While delivering their speech they said that it was not the events but the attitude that caused success. They enlightened the students about the Rotaract Club, its functions, role, importance, and what they could achieve or gain by joining the club and how a single thought can help many people in our community.

It was a very interactive and informative session and it encouraged the students to take an active part in the club this year.

We would like to thank our chief guests, the board members, our faculty coordinators, and the students for making this program a grand success. We hope to see your participation and your enthusiasm in the upcoming events

Ex-servicemen, who have fought wars or seen their comrades being wounded or killed in battle, know that the best deterrent to war is to not only to be hundred per cent prepared all the time but to ensure that the enemy is also aware of our preparedness and does not take us lightly. They have invested their lives in the sustenance of our country.

Our project, Nandri mazhai will give the opportunity for us to publicly demonstrate our appreciation for the sacrifices and successes made by our service members -- past and present. We will also honor the memory of military personnels who sacrificed their safety and ultimately their lives for our nation, and the war veterans of wars gone past who have now passed on.

ALERTATHON

DATE: 8th Of Oct 2017

No of participants: 500

The awareness and preparedness of people in handling medical emergencies is abysmally low in our country. While it may be farfetched to have a doctor per family, it is possible to ensure a first responder per family

The students of Ethiraj College for Women volunteered and raised awareness for the cause. It was a kind of run that tested the pace of the regular runners and also encouraged newbies to participate and take up fitness on a regular basis. It created awareness in society on first aid and emergency care.

The students learned about the importance of road safety and were taught about the basic concepts of emergency care.

LITTLE HEARTS

DATE: 25th of Dec 2017

No of beneficiaries: 600

“Children don't care if you're rich or poor, clever or dumb. Give them your heart and they'll give you theirs.”

The Rotaract Club of Ethiraj College for Women is blessed to feel that unconditional love. We have taken the initiative to bring a smile to their lips and a shine to their eyes. Many of our Rotaractors have kick-started our project “Little Hearts” into full gear by visiting various orphanages and giving them crayons, stationeries, chocolate cakes and many other delightful gifts. We spent time with them and played many games and the stories they told us touched our souls. Despite the tragedies in their lives, the children were very happy and enthusiastic. Leaving their blues behind, they rejoiced, played, and danced every moment. The giggles, smiles, and cheers of the children boosted the spirits of even the Rotaractors. We wanted to give them memories instead we returned with lots of memories in our pockets that can never be lost.
